

Finberry Primary School After School Club Activities

Every day the children have a choice of activities including drawing, construction and ball games. Every After School Club begins with a 'Brilliant Books' session where the children can enjoy a wide range of books based on their interests. When the weather is good we encourage the children to play outside.

In addition we run the following adult led activities.

Monday	Tuesday	Wednesday	Thursday	Friday
Board Games Play one of ours or share one from home.	Art and Craft Where art and craft will be used to create a range of wonderful items.	Computers Time to enjoy a wide range of educational games.	Music and Dance Club A chance to try out the latest dance moves with your friends!	Film Club What better way to end the week than watching 'u' rated films with your friends!
